

BUILDING YOUR DREAMS ONE DESIGN AT A TIME
OUR DESIGN/BUILD PROCESS

INITIAL CONTACT:

- Call Gozzo Design & Remodel, LLC
- Telephone interview to see if we can help you with your project
- Set up initial in-home consultation to discuss needs, desires, and potential design options for your project.

FIRST APPOINTMENT:

- Discuss your remodeling goals
- Talk about what you like and do not like
- Determine project feasibility and time frame
- Assess potential design options
- Agree on budget range
- Take photos and or measurements
- Schedule second appointment to evaluate budget range, remodeling options and design ideas

SECOND APPOINTMENT:

- Meet in our showroom or in your home, to discuss design and remodeling options
- Review target budget range for selected design options
- When you are satisfied that we are the choice for your remodeling project, sign a design agreement to move forward
- Collect a design fee to begin the design process
- Schedule design meeting

DESIGN MEETING:

- Presentation of initial design concepts
- Look at design option feasibility
- Agree on design concept options
- Product selection process outlined
- Preferred vendor list provided, along with allowances
- Schedule follow up design meeting

FOLLOW UP DESIGN MEETING:

- Review design progress
- Sign off on design option selection
- Review product selections
- Set future design meetings if necessary

GETTING YOUR PROJECT STARTED:

- Provide construction proposal, payment and job schedules
- Sign proposal
- Obtain deposit on project
- Schedule start date of production
- Finish plans for construction

START CONSTRUCTION PROCESS:

- Assign project manager to project
- Apply for building permits
- Order any special order materials
- Schedule pre-construction meeting and timetable for product selections
- Begin Construction
